Re: *In re Terrorist Attacks on September 11, 2001*
MDL No. 03-MDL-1570 (GBD) (SN)
Ashton et al. v. al Qaeda Islamic Army, et al., 02-cv-6977
Wrongful Death Judgments Against Defendants-in- Default

Your Honor:

I write in response to the MDL 1570 Plaintiffs' Executive Committees October 11, 2024 letter (ECF MDL #10422), which asks the Court to defer entering final Judgments against the defendants-in-default (after awarding punitive or treble damages). The PEC's letter was filed in response to Your Honor's Order (ECF MDL # 10350) dated September 12, 2024.

I disagree with the PEC's claim that there is just reason to delay the entry of immediate, final Judgments against the defendants-in-default. I will explain why, if I am afforded that opportunity.

I request that I be granted until Friday, October 25, to file the requested response.

Sincerely yours,

John F. Schutty

Counsel is granted until October 25, 2024, to file the requested response.
SO ORDERED.

United States Magistrate Judge
